

IBM DATA SCIENCE PROFESSIONAL CERTIFICATE CAPSTONE

Roman Leittersdorf – 2020

TOPIC: Locating the best place to open a restaurant in Toronto

Introduction/Business Problem

In Toronto, if someone is looking to open a restaurant, where would you recommend that they open it? Similarly, if a contractor is trying to start their own business, where would you recommend that they setup their office?

Data used

We will use Data from Wikipedia to find the Postal Codes for each Neighborhood, the Foursquare API and the Geospatial data (https://cocl.us/Geospatial_data) to find the Latitude and Longitude for each Neighborhood.
